Swamp Optics Price List 1 of 2

Pulse Compressors

Pulse Compressor **BOA-8**..... US\$13,000
 Pulse Compressor **BOA-10**..... US\$13,000

FROGs and GRENOUILLES

GRENOUILLE **8-20-USB** US\$16,000
 GRENOUILLE **8-50-USB** US\$15,000
 GRENOUILLE **10-100-USB** US\$15,000
 GRENOUILLE **15-40-USB** US\$16,000
 GRENOUILLE **15-100-USB** US\$16,000
 FROG **8-9-USB**** US\$17,000

**FROG 8-9-USB has two options for its second-harmonic-generation crystal (please specify):

Thick: Higher sensitivity, but multi-shot measurements only.

Thin: Single-shot and multi-shot measurements.

Software (essential for retrieving pulses for all FROGs and GRENOUILLES)

Femtosoft Technologies **QuickFROG** (www.femtosoft.biz/quickfrog.shtml) US\$2,500

All GRENOUILLE/FROG models use USB cameras and allow free-running and triggered-single-shot measurements.

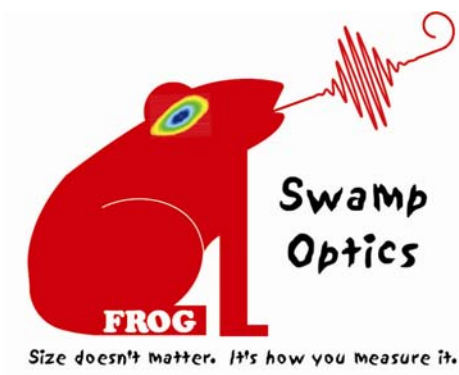

No power supply is needed.

All Swamp Optics, LLC products are warranted to be defect-free for one year.

For all technical support, please email us at SUPPORT@SwampOptics.com

When ordering, customer must supply a shipping account number (only Federal Express or UPS) for shipping & handling (insurance and customs for duties and taxes; cardboard box size 20inchesX16inchesX14inches and about 18pounds). Standard delivery is 4-6 weeks.

Purchase Order emailed to Linda.Trebino@SwampOptics.com or FAXed to +1-866-855-4518.
